

Mobile Apps Portfolio in iOS and Android using Flutter Framework

Job Description

- ✓ Mobile App Development from the ground up
- ✓ Using Flutter Framework and Firebase
- ✓ Testing Apps
- ✓ Deployment to Google Play Store & Apple App Store

FitSync

- FitTrace Sync is a companion app to FitTrace. With FitTrace Sync you can upload your DXA body composition measurements into Apple Health. You can also transfer key nutrition and fitness data from Apple Health to FitTrace where it can be analyzed to show you how nutrition and fitness affect your body composition.
